YOUR PACKAGING PARTNER

Access Industries has been in operation for over 65 years and we are 100% Australian owned and managed.

At Access Industries "Customer Satisfaction" is paramount to the success of our organisation. We pride ourselves in meeting our customers' requirements and attribute our success to the following 3 key elements - Quality, Service and Reliability.

OUR MISSION

"To provide services for people with a disability in employment related areas"

OUR AIM

"To have all people with a disability fulfill their career expectations and enrich their lives"

QUALITY

- A robust quality system ensures high standards and low non-conformances
- Standard Operating Procedures for all processes
- A "Quality Culture" ensures a common goal through all team members
- TGA licensed for over 20 years

SERVICE

- Pride ourselves in delivering in full and on time
- Provide ongoing updates to customers on a regular basis
- Understanding of customers' requirements to enable speed to market
- Provide competitive pricing and assistance in design of customisation

RELIABILITY

- Consistently perform in meeting quality and delivery expectations
- Continually pull out all stops to meet tight deadlines
- Continually strive to maintain customer satisfaction
- Ability to replicate our high standards in quality and due date performance every time

Our Seven Hills site is a "State of the Art" facility that is dedicated to the secondary packing of Pharmaceutical and Non Pharmaceutical products. Our production facility has held a Therapeutic Goods Administration (TGA) to Manufacture Therapeutic Goods (secondary packaging) and Release for Supply licence for over 20 years. We have also held an Australian Pesticides and Veterinary Medicines Authority (APVMA) to Manufacture Veterinary Chemical Products (Secondary Packaging), Storage and Release for Supply licence for over 10 years.

We also offer a "Full Service" option which includes inventory management and transport.

We have a highly skilled and qualified workforce and offer a broad range of packaging options such as:

- Shrink-wrapping
- Bundle-wrapping
- Labelling
- Blister sealing
- Pre-pack assembly
- Point of sale assembly
- Tamper Evident applications
- Mail outs
- Promotional items
- Sleeving
- Sample bags
- Kitting
- Light assembly
- Heat bag sealing
- Inkjet coding

Our focus on Quality, Service and Reliability has resulted in Access Industries securing significant contractual agreements and developing long term working relationships with a number of "Global Pharmaceutical and Consumer packaged goods manufacturers", some for over 30 years. We have received a number of awards for providing excellent customer service in both quality and delivery.

OUR AWARDS

- 1989 - Johnson & Johnson - 40 Years of Service to the Community
- 1999 - Key Pharmaceuticals - Best Supplier Award
- 2002 - Sunbeam - Recognition Award
- 2004 - Procter & Gamble - 100% Quality Assurance Capability Award
- 2006 - Schering Plough - 20 Years of Service Award
- 2011 - Procter & Gamble - Best Capability Building Go to Market Award
- 2012 - Procter & Gamble - Special Appreciation Award

We welcome our customers to visit our site to conduct GMP audits and provide constructive feedback to potentially improve our business which in turn is rolled out to benefit our customers.

We believe we are not just a supplier to business but a packaging partner. We hope to become "Your Packaging Partner" in the very near future.
